## CANVAS RANGE

**Boss Aluminium, a long established Australian designer and manufacturer of commercial vehicle and 4x4 accessories has recently brought canvas manufacturing in-house. With this, a new range of canvas products has been developed to supplement the existing range of off road accessories and provide premium storage solutions for your gear.**

## NEW PRODUCTS

Our new range of canvas products has been designed to create additional storage solutions for Boss trays and canopies. These bags represent the quality Boss Aluminium is known for whilst offering a neat and aesthetic bag for your gear.

### CLEAR TOP DRAWER BAGS

BLACK

SAND

OLIVE

WINE

BLACK PVC

There are 8 different sized bags to choose from to organise your gear within your tray and canopy. The dimensions chosen have been designed to suit the widths and heights of Boss tray and canopy drawers to maximise available storage. Of course, the versatility of these bags makes them suitable for a host of applications.

### DESIGN FEATURES

- Manufactured in-house at Boss Aluminium
- 530GSM waterproof polyester/cotton Australian made canvas
- Canvas is flame retardant, UV, and mould resistant, exhibiting exceptional tear resistance
- Raw edges are edge-bound to provide protection and enhanced aesthetics
- All material is precision cut on a CNC cutting machine
- Ultra strong 20 gauge UV resistant thread
- Double-stitched polypropylene webbing handles
- Bags feature a nylon carpet bottom insert
- Premium size 10 YKK double sliders used for strength and convenience
- Available in 4 different canvas colours or black PVC
- UV resistant PVC used on clear tops and labelling pockets

## NEW PRODUCTS

### PREMIUM WHEEL BAG

The Premium Wheel Bag has been designed to suit up to a 37" tyre. It features a 530GSM canvas exterior, internally lined with PVC inside the main compartment. The bag comes with an additional PVC liner, easily removable, held inside with velcro. The YKK zippers allow for seamless opening and closing of the bag whilst keeping the contents secure when in transit. Stainless steel eyelets are located within the bag to provide adequate drainage. The Premium Wheel Bag is available in 4 canvas colours; black, sand, olive green, and wine.
